

CloudNest Service Level Agreement (SLA)

Effective for all Pro and Enterprise subscriptions.

1. Uptime Commitment

CloudNest commits to 99.9% monthly uptime for the core platform, measured across all regions. Uptime excludes scheduled maintenance windows, which are announced at least 48 hours in advance via the status page and email.

2. Support Response Times

Support response time targets vary by plan tier. Enterprise customers receive priority routing; Free tier support is best-effort with no guaranteed response time.

Plan	Priority Level	First Response Target
Free	Community	Best-effort, no SLA
Pro	Standard	4 business hours
Enterprise	Priority	1 hour, 24/7

3. Downtime Service Credits

If monthly uptime falls below the 99.9% commitment, affected Pro and Enterprise customers are eligible for service credits applied to the following billing cycle, per the schedule below. Credits must be requested within 30 days of the incident via support@cloudnest.example.

Monthly Uptime	Service Credit
99.0% - 99.89%	10% of monthly fees
95.0% - 98.99%	25% of monthly fees
Below 95.0%	50% of monthly fees

4. Refund Policy

Annual plans are refundable in full within 14 days of purchase if unused. Monthly plans are non-refundable but can be cancelled at any time, with access continuing until the end of the current billing period. No partial refunds are issued for unused time within a billing cycle, except where required by local consumer protection law.

5. Exclusions

This SLA does not apply to issues caused by third-party integrations, customer misconfiguration, force majeure events, or usage that violates the CloudNest Acceptable Use Policy.
